

LEVEL 1 AWARD WELDING QUALIFICATION SUITE

1 week intensive, single process welding qualifications.

OVERVIEW

These 1 week qualifications have been developed to provide a broad based introduction to the practices and processes within welding.

WHO ARE THESE QUALIFICATIONS FOR?

This qualification is for learners who:

- Want to start a career in welding engineering
- Are thinking about welding as a career but who would like some experience of the job role first
- Have some experience, but now seek formal qualification(s)
- Work in another aspect of welding engineering and require some practical training

It is suitable for learners aged:

- 16+

ENTRY REQUIREMENTS

Learners must be at least 16 years old. There are no formal entry requirements for these qualifications. However, learners must have the potential to achieve all aspects of the qualification. In particular, learners should be able to demonstrate that they have the minimum levels of literacy and numeracy required to comply with the health and safety aspects of the scheme, the completion of the learning outcomes, and the assessments.

WHAT DO THESE QUALIFICATIONS COVER?

These qualifications are comprised of one mandatory unit, which provides learners with the underpinning knowledge and introductory practical skills of the chosen process from the options shown in the icons below:

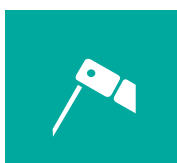

- Underpinning Theory (L1) – eLearning modules on metallurgy, equipment setup, technique and quality-control
- Technique Development – in virtual environment via simulator
- Hands-On Skills Building – guided practical exercises, supervised in welding bays (mild steel, 5 joint types)
- Certificate Of Completion – subject to tutor sign-off

EAL Level 1 Award in Introductory Metal Inert Gas Welding Skills
(600/2171/8)

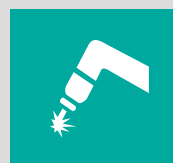

EAL Level 1 Award in Introductory Tungsten inert Gas Welding Skills
(600/2170/6)

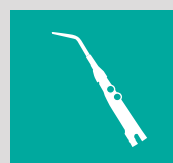

EAL Level 1 Award in Introductory Manual Metal Arc Welding Skills
(600/2172/X)

EAL Level 1 Award in Introductory Oxy/Acetylene Welding Skills
(600/2173/1)

EAL Level 1 Award in Introductory Thermal and Plasma Cutting Skills
(600/5801/8)

EAL Level 1 Award in Introductory Brazing and Soldering Skills
(600/6003/7)

FEE PER DELEGATE

These courses are priced as below.

Level 1 Award – £850 +VAT (Per process)

DATES

Courses run monthly for 1 week, January to November annually.

2018 Course dates

- 13th - 17th August 2018
- 15th - 19th October 2018
- 17th - 21st September 2018
- 19th - 23rd November 2018

LOCATION

Weldability Sif Technology & Training Centre, Peters House, The Orbital Centre, Icknield Way, Letchworth Garden City, Hertfordshire, SG6 1ET, UK

HOW TO BOOK

Book online at www.learn-to-weld.com or complete the booking form below and return by email or post.

Please use one form per delegate. Please return completed forms to training@weldability-sif.com
